Pray for Dobbs, Pray for our Supreme Court Justices: Dobbs vs. Jackson Women's Health is the Supreme Court case that could overturn Roe v. Wade—the decision that made abortion legal in all 50 states. Nine justices stand between life and death for millions of innocent children and their mothers. The hearing began Dec. 1, with a ruling expected in June. Please fast and pray for God's grace to touch our Supreme Court justices. For more information and resources, visit PrayforDobbs.com.

Announcing a Lifeline of Hope and Healing for Struggling Marriages: When the old ways aren't working, the Retrouvaille Program helps couples restore their marriages and rebuild loving relationships. This is a three-phase program that begins with a weekend stay in the Wausau area. A series of "post sessions" provide ongoing healing and support. Presentations are given by couples who share their personal struggles in marriage and the tools they used to rediscover their love. Participants reflect and interact in privacy with their spouse. It is not group therapy. Costs are affordable and no couple is turned away because of limited finances. If you are wondering if this program is right for you or a loved one, find more information and answers to Frequently Asked Questions at www.HelpOurMarriage.org or call toll-free: 1-877-922-HOPE (4673) All calls are fully confidential. The next program begins on February 18-20, 2022. Space is limited. Early registration is recommended!

Fishers of Men

In today's gospel reading Peter had been out fishing all night and hadn't been able to catch any fish. When Jesus told him to let down the nets again he did it anyway. He was very surprised when the nets filled up with fish right away. And there were so many that the boat started to sink!

Jesus told Peter and his friends James and John that he was going to make them "fishers of men." But He didn't mean that they would catch people in nets! He was showing them that they had to bring people into the Church.

Who are the "fishers of men" today? Priests! They help people to come to the Faith by giving them the sacraments and teaching them the truth about God.

Luke 5:1-11

Peter had been fishing all night and caught nothing. But when Jesus told him to let the nets down again, they got filled right up! Can you draw enough fish to fill the nets?

Journey with Saint Francis de Sales

Practicing little virtues as a way of growing in spiritual life: The little virtues like patience, gentleness and humility are very often neglected by people as just the ordinary. They are definitely not “little” – on the contrary, they are great virtues, they make a difference in our day-to-day life. St. Francis de Sales saw great power in them. They can shape our lives and relationships. They also help us form and build communities.

A kind word spoken, a warm greeting, a little help, a cheerful approach, a patient listening, or a gentle look can work miracle in our daily life. The truth is that we get a lot of opportunities to practice these virtues, while the chances for practicing other so-called great virtues are very rare. One who waits for them, neglecting these little virtues, will meet with disappointment.

For Francis de Sales little virtues are those that can be practiced by anyone at any situation. For him the great virtues appear to be mere wishful thinking without the practice of the little virtues. Among all the little virtues he speaks of like: patience, good-naturedness, mortifications of the heart, humility, obedience, chastity, poverty, tenderness towards our neighbor, bearing their imperfections, diligence and holy fervor. Francis de Sales preference is for three little virtues: gentleness of heart, poverty of spirit (humility) and simplicity of life.
