- 3 new signs we created and installed on the Cemetery grounds. One Eternal Rest Prayer sign and 2 rules signs.
- Leo built up a berm to divert water on the eastern driveway to the cemetery to fix water issues and washouts of the gravel.
- Went over list of headstones in the cemetery that are leaning and in need of repair and/or straightening.
- Will be putting the list of headstones in need of repair in the bulletin to let family members know of these issues as it is the family members' responsibility to maintain them.

## **New Business:**

- We will be getting the mowing contract signed for the season. Andrew Schaub will be mowing this year.
- Will be looking into maintenance for the lawn mower this year, trying to keep it in the parish to help cut cost.
- Leo will be looking into treatment for moles again this summer.
- We will be adding dirt in the cemetery by the main entrance gate to even it out a little better and reseeding it.
- Plot prices will be increasing for former and non-parishioners effective June 1st. See price schedule
- We will be in touch with a contractor that would be willing to straighten headstones. He would like to meet with families individually to talk about prices.
